

Pro Series, Cable Crossover

This versatile line of strength equipment offers effective weight training solutions to maximise even the most compact spaces. Whether you are an experienced athlete or a complete beginner, all 8 pieces of the Pro Series range are designed to offer a quick, straightforward and easy access workout.

Sturdy and stable, the Pro Series Cable Crossover is the perfect solution for any home gym or commercial fitness facility. The extra wide and tall mainframe and interchangeable cable attachments provide easy access to an endless array of high and low pulley exercises, allowing facilities to optimise floor space and target a broader range of user needs.
