

Elite Series, Hyper Extension Bench

Offering supreme functionality, high durability and an aesthetically sophisticated design, the Elite Series sets the benchmark for excellence in commercial selectorised strength equipment. The minimal space and budget requirements combined with the high performance, intuitive design of the Elite Series machines, makes them the perfect fit for any fitness facility and exerciser. The Elite Series Hyper Extension provides users with a solid strength training platform ideal for stretching and strengthening the lower back muscles. The adjustable hip pads, padded ankle rollers and anatomically positioned handles ensure comfort and stability, and allow for increased functionality.
