

Pro Series PL Prone Leg Curl

The Pro Series Plate Loaded Prone Leg Curl is a must-have for anyone looking to build strong, toned leg muscles. With a plate-loaded design, this machine allows for easy weight adjustment, and the ergonomic design ensures maximum comfort during workouts. Its compact size makes it ideal for smaller workout spaces. The angled backrest and adjustable leg pad help to reduce stress on the knees and lower back, making this machine an ideal option for those with existing injuries.
